be secured in repairing the damage  
caused to the dump between here and

faculty, that of Professor of Chemistry  
and Electro Therapeutics.  
—The success of the Fourth of July  
celebration at this place is largely due to  
the untiring efforts of Joe. Hobbittzel,  
L. I. Moore and W. R. Hoffmann. They  
overcame every obstacle, and made the  
exercises interesting and pleasant.  
—Our band gives a lawn festival and  
instrumental concert in the Court House  
park, on Saturday evening, July 14th.  
We trust our people will be liberal with  
the band as they are struggling to wipe  
out the indebtedness that now hangs  
over them.  
—"Deacon" Everhart, of the Valley  
Hotel at Maitland, is making valuable  
improvements to his hotel, and is mak-  
ing arrangements to entertain a large  
body during the fair week. He is the  
invited landlord in the county, besides  
he runs a first class hotel.  
—Read what Hershberger & Lewis,  
Maitland, Mo., have to say this week.  
Hi and Dan are well known to most  
everyone in Holt, and whatever they  
tell you they will do, can be relied on.  
Give them a call if you want good goods,  
and at prices as low as can be sold any-  
where.  
—The Maryville Republican says:  
"Only four saloons have applied for li-  
cense in Maryville, under the new law.  
The state and county can tax them  
from \$800 to \$1,200. The city can then  
tax a saloon. If the city puts on the  
tax of \$1,000 it will cost from \$1,200  
to \$2,200 a year to keep open in  
Maryville."

prising city.

ductor on the Maitland branch, is rusticat-  
ing at Spirit Lake. He has a leave of  
absence for ten days.  
—Postmasters are now required to  
keep letters only seven days before  
sending them to the dead letter office,  
instead of thirty days.  
—The editor of this paper, Mr. J. H.  
Miller, of St. Joseph, has been in our  
city for the past few days, visiting  
Mr. Davis for the contest shown him  
at Maitland on the Fourth.  
—J. L. Snyder, who purchased the  
W. T. Eddy farm near Maitland, has  
six acres of the finest spring wheat ever  
grown in the county. We'll wager on  
this.  
—Now if Kaueher does get back with  
his boat, the question will at once pre-  
sent itself, what will he do with it in a  
dry time like this, 1100 feet above tide  
water at that.  
—Samuel Stuckey took charge of the  
mail route between here and Forest City  
on the 1st inst. He went to work with  
the modesty of a fourteen-year-old, and  
he doesn't seem a bit "stuck up".

—Remember the day and date Wed-  
nesday, July 18th, Cooper, Jackson &  
Co's. Great Allied Shows, Circus and  
Menagerie, are advertised to show in  
Oregon on the above date. It is highly  
spoken of wherever it has been.  
—Mr. John C. Bear, of Maryville,  
Nebraska, a brother-in-law of Stuckey,  
was visiting here last week; Mr.  
Bear was once a resident of Oregon and  
this was his first visit here for twenty  
years. He was surprised at the  
many changes made in that time.  
—Misses Martha Snyder, Mattie Rus-  
sell, Ida Carothers, Emma Cartrell, and  
Nettie Patrick deserve praise for their  
energy in decorating the speaker's  
stand in this city on the Fourth. With-  
out their assistance nothing would have  
been done.  
—Oregon should never fail to cele-  
brate the Nation's natal day. It is to her  
advantage to do so, and should not be re-  
garded as in opposition to other towns.  
Many of our merchants report that they  
never have yet sold as many goods  
on a national holiday as on the Fourth  
just passed. Besides there is a large  
number of people who depend on our  
citizens furnishing amusements for them  
on this day, as it is too inconvenient to  
go elsewhere, especially in this case  
with those living south of Oregon.

—O. T. Carris, and James Bucher

Della Miller, of St. Joseph, Mrs. Car-

with us on the 4th.... Miss Lou David,  
the incorrigible bad man, was in town this  
week, youst gassing the boys full-  
of hats, &c.... W. L. Riffe and  
Miss Fannie Doughty drove out to Elk  
Dale on Sunday.... Another wedding

boys "is this but enough for you?"  
Where is that man now? Ask of the  
winds, which far around with frag-  
ments strewn de.... Of course we do  
not justify the boys. Thoughtless peo-  
ple may be inclined to cast reflections  
on our fair name; but all will con-  
cede that the provocation was too great.  
Ed Delaney was up from St. Joe

August 1st.... J. E. Phillips talks of  
going to Dakota and engaging in the  
lumber business. Maitland will lose a  
valuable citizen when he leaves.
